III. 30-36 semester hours in a career-oriented multidisciplinary American Politics concentration:

The American Politics Concentration made up of courses drawn from one or more disciplines outside the Political Science Department requires careful planning. Students are encouraged to develop their program of study early in their academic careers with the assigned departmental advisor for this specific concentration. The career-oriented concentration often includes an internship, and all concentrations require Statistics 2810. Copies of each student's program of study, signed by the departmental chairperson, must be on file in the Political Science Department Office as well as the Dean's Office in the College of Arts and Sciences
