35

Core Curr. - **17**

Students desiring to earn a bachelor of social work degree must work closely with the social work program director in planning their course of study. Certain courses **MUST** be taken in proper sequence, and some courses may be offered only one time in an academic year or even less frequently. Copies of each student's program of study, signed by the social work program director, **MUST** be on file in the Department of Sociology and Social Work office prior to the student beginning the program.
